

Section F - Deliveries or Performance

F.1. Deliveries or performance clauses

This contract incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text of a clause may be accessed electronically at this address: <https://www.acquisition.gov/>

The following clauses apply at the Order level, as applicable, subject to specific delivery and performance requirements as set forth in the applicable Order:

FAR	TITLE	DATE
52.242-15	Stop Work Order	AUG 1989
52.247-34	F.O.B. Destination	NOV 1991

Clauses and other requirements regarding deliveries or performance shall be designated by the OCO at the task order level.

F.2 Place of Performance

The services to be provided under BMO shall be accomplished at the locations identified in the task order and may include locations in:

CLIN	Zone Title	Geographic Area of Coverage
Z2	Zone 2	Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, Vermont
Z3	Zone 3	Florida, Georgia, North Carolina, South Carolina
Z4	Zone 4	Oklahoma, Texas
Z4	Zone 5	California, Nevada
Z5	Zone 6	Illinois, Iowa, Kansas, Missouri, Nebraska

F.3 Period of Performance

The period of performance of BMO is from the date of the Notice-To-Proceed through five (5) years with one five-year option that may extend the cumulative term of the contract to ten (10) years, with 52.217-9, Option to Extend the Term of the Contract (additional six (6) months, if exercised) and 52.217-8, Option to Extend Services, if exercised.

The period of performance for each task order awarded under BMO SB shall be specified in the task order by the ordering agency. Task orders must be solicited and awarded prior to the BMO SB contract term expiring and may extend up to five years after the BMO SB contract term expires.

Task order option periods may be exercised after the BMO SB contract term expires as long as the final task order option period does not extend the cumulative term of the task order beyond five years after the BMO SB contract term expires.

After the BMO SB contract term expires, BMO SB contract will remain active until the final task order is closed-out and shall govern the terms and conditions with respect to active task orders to the same extent as if it were completed during the BMO SB contract term.

Accordingly, the cumulative term of BMO SB contract may span up to 10 years and the cumulative term of all task orders placed under BMO SB contract may span up to 15 years.

F.4 Performance Standards

BMO SB is a performance based contract with measurable standards in terms of quality and timeliness of deliverables and compliances in accordance with Section F.4.1, Deliverable and Reporting Requirements.

In the event the FAS Sales Reporting System (TDR) is not operational, deliverable and reporting requirements designated for input into the FAS Sales Reporting System (TDR) shall be provided as directed by the BMO SB CO within the stated timeframes. The BMO SB CO or an authorized representative shall have the right to examine and audit all supporting records and materials, regardless of whether such items are in written form, in the form of computer data, or in any other form, for the purpose of enforcing all deliverables and compliances herein.

Acceptable Accounting Systems are mandatory for all Contractors on BMO SB. Refer to Section H.9 for information on Acceptable Accounting Systems.

All Systems, Compliances, and Certifications must be maintained at the Contractors' current level at time of award or higher throughout the period of performance of BMO SB.
